Online exam policies

By checking the boxes below, you agree to each term as described. To take this exam in an online environment, please agree to the following terms and conditions.

☒ By accessing this website you understand and agree to the terms set forth in this Candidate Agreement ("Agreement"). This Agreement is entered into by and between you as a test taker, Pearson VUE, a business of NCS Pearson, Inc., and your testing program owner ("Test Sponsor"). This Agreement represents your understanding and acceptance of Pearson VUE's [Privacy and Cookies Policy](#) ("Privacy Policy"), [Terms and Conditions](#), and use of cookies to support your testing experience. You also understand, acknowledge and agree that the testing program sponsor has its own, possibly different, privacy policy.

OnVUE Data Processing

☒ By providing your personal information, as described in our [Privacy and Cookies Policy](#), you acknowledge and agree to the video and audio recording of your entire testing session and you agree to the processing of such personal information and test data by Pearson VUE and to the transfer of such data to Pearson VUE's hub server, located in the USA, as the data processor, its authorized third parties, if any, both in the capacity as data processors for the processing of your personal information and test data on behalf of the testing program sponsor, as the data controller, located in the USA or elsewhere. Pearson VUE and other data processing entities, if any, are the recipients of your personal information and test data; however, Pearson VUE will enter into reasonable data transfer agreements with such entities for the purpose of communicating and following the instructions of your testing program sponsor and for establishing reasonable security measures to protect the confidentiality and integrity of your personal information and test data.

☒ If you choose to take the test through our online-proctoring platform, which is not mandatory in the event that there are other ways of taking the test as determined by the testing program sponsor, you and your computer will be monitored during your entire testing session in real time so that your face, voice, desk, and workspace will be captured and possibly recorded for the purposes of test quality, test security, and the integrity of the testing process. You understand, acknowledge and agree that you will be monitored at your location through audio, technology and video means so all activity at your location will be detectable by test proctors. By accessing this website you signify your acknowledgement and agreement that any inappropriate conduct or behavior detected by Pearson VUE or the test proctor will be reported to the appropriate authorities and may result in your disqualification from the exam.
